IsiZULU Intensive Summer Institute

From June 17 to August 9, 2013, the African Studies Center and the Department of Linguistics and Germanic, Slavic, Asian and African Languages at Michigan State University will offer an eight-week Intensive Summer Program in IsiZulu.

The Elementary Zulu program consists of two parts, offered sequentially. In order to get credit for the class, students must complete both parts.

**Elementary Zulu – Part I (AFR 101B)**
4 credits, 20 hours per week for four weeks

**Elementary Zulu – Part II (AFR 102B)**
4 credits, 20 hours per week for four weeks

The Summer Program will be directed and taught by Dr. Galen Sibanda, MSU’s African Language Instruction Coordinator and faculty in the Department of Linguistics and Germanic, Slavic, Asian and African Languages. Guest speakers will present lectures on topics in South African studies.

The major emphasis of the Summer Program will be on developing and strengthening oral fluency, vocabulary acquisition, and aural comprehension, with appropriate attention to reading, pronunciation, grammar, and writing. In addition, evaluations, Pre- and Post- required by Title VI, will be applied. Evaluation of student achievement and proficiency will be conducted both formally and informally during and at the conclusion of the courses.
